# audit & accounts semi-seniors

DFK Malta is a medium-sized multi-disciplinary firm providing various services including financial audit and assurance, tax services and business advisory services to a diverse and challenging client base. As part of our continued development and expansion, we are seeking to recruit Audit semi-seniors to join our audit and assurance practice group and Accounts semi-seniors to join our consultancy and corporate support practice group.

The selected candidates will form part of a professional team and will receive continuous professional development whilst at the same time gaining invaluable experience on a diverse portfolio of clients. Individuals are expected to have good interpersonal skills to liaise professionally with our clients and to be efficient team players. An attractive remuneration package will be offered.

### Audit semi-seniors

Candidates should have past experience in an audit firm and be qualified accountants or currently pursuing the ACCA Professional Qualification. The main duties and responsibilities will include planning and executing audit assignments and drafting financial statements. Good working knowledge of audit software will be considered as an asset.

### Accounts semi-seniors

Candidates should have past experience in an accounting role and be currently pursuing their studies for the ACCA Professional Qualification or in possession of an AAT qualification. Good working knowledge of SAGE software will be considered as an asset. The main duties and responsibilities will include the maintenance of books of accounts and records for our clients and assistance in the preparation of clients' VAT returns.

The above-mentioned positions are on a full-time basis. Prospective candidates should submit their application together with a detailed curriculum vitae by not later than 31st January 2015 to:
